

Hywel Dda MSK Physiotherapy Referral Information

Important information

- Patients will be initially offered a digital self-assessment to support their ongoing care with us.
- This is available 24/7 from the location of your choice and is available in English and Welsh.
- Following completion of your PhysioNow assessment the information will then be received by the physiotherapy admin team.
- They will then arrange a telephone appointment with all patients completing PhysioNow in due course.

To refer yourself into this service please visit
